

EXCHANGE24

AHE Education & Solution Summit

July 22-24 | Phoenix

Find Solutions & Build Lasting Connections

Exchange is back and better than ever! You'll find greater opportunities to **connect and get inspired** with conversation circles, group working sessions, and expanded peer interaction. Learn new concepts, network with like-minded professionals, and find solutions for your EVS challenges.

Experience four power-packed learning pathways tailored to meet your knowledge needs, elevate your skills and boost your competence.

OPERATIONS AND STAFFING

- Benchmarking in Health Care: How it is Environmental Services
- Learning in During Lean Times: Resource Management Solutions

TECHNOLOGY AND INNOVATIONS

- Ripple Effect—Leveraging EVS to Reduce The Risk of Water
- Update on the use of Eco-Friendly Cleaners and Disinfectants

INFECTION PREVENTION

- Floors from all angles. Where are the risks?
- CDC Insights: Knowledge Gaps in Environmental Infection Prevention and Control

LEADERSHIP

- Finding Pride In The Work
- The Rise of Multi-Directional Leadership: Shaping the Future of Organizations

Elevate Skills. Explore Solutions. Build Connections.

There's even more to discover!
